CHESTER C. WYNNE MEMORIAL SCHOLARSHIP PROGRAM

We are once again pleased to tell you about the Chester C. Wynne Memorial Scholarship program. For those of you who did not know Chet, he had a strong belief in the value of education. He himself had to leave school at a very early age to help support his mother and three sisters. However, he educated himself by reading, traveling and observing. He strongly supported the value of education as the primary way people could enrich their lives and those of their families.

In honor of his beliefs, we are funding a Scholarship Program again this year. Those eligible to apply are Employees of Wynne Building Corporation, Residents of Spanish Lakes Communities and the children or grandchildren of the above. To be eligible, the candidate must fill out an application and be enrolled in or plan to attend an accredited College or University located in the State of Florida. The scholarship may be applied for through March 31st. Awards will be announced in May. Decisions regarding the awarding of scholarships will be made by our own committee. Applications are available in our Clubhouse or by writing to
